RE: Year End Report (12/01/09 - 12/31/09)

Dear Mr. Norfleet:

This submission is in response to your review of the above referenced report.

The contribution received on December 31, 2009 from Mr. Chris Stravrou in the amount of \$5000 was transferred to a nonfederal account on February 17, 2010 per the contributor's request. The nonfederal account does not make expenditures to influence federal elections. The transfer was effective within sixty days of receipt, when it was determined that the contribution could not be reattributed to another individual. The funds were not disbursed from the federal account until the time of the transfer, and therefore were not used to support any federal election activity. The transfer was reported on Schedule B, Line 29, Other Disbursement in the March 20th monthly report covering the period from February 1 through February 28, 2010.

Sincerely,

Joe Williams
Treasurer
